

Xaloc Table Basse 80

by Hector Serrano

Ce vent tellement à nous, de la Méditerranée. Harmonieux. Changeant. Omniprésente. Frais. Capable d'éroder et de sculpter des lignes lisses, comme la fonte de l'aluminium. Docile. Organique. Moulable. La variété des tissus, des couleurs et des pièces nous permet d'apporter l'élégance et la chaleur des espaces intérieurs, à l'extérieur. Xaloc dispose de structures en aluminium et de joints de haute qualité fabriqués par fonderie sous pression.

That Mediterranean wind, so uniquely ours. Harmonious. Changing. Pervasive. Fresh. Able to erode and sculpt smooth lines, like forging aluminium. Docile. Organic. Malleable. The variety of fabrics, colours and pieces allows us to take the elegance and warmth of indoor spaces outside. Xaloc has aluminium structures and high quality die-cast joints.
